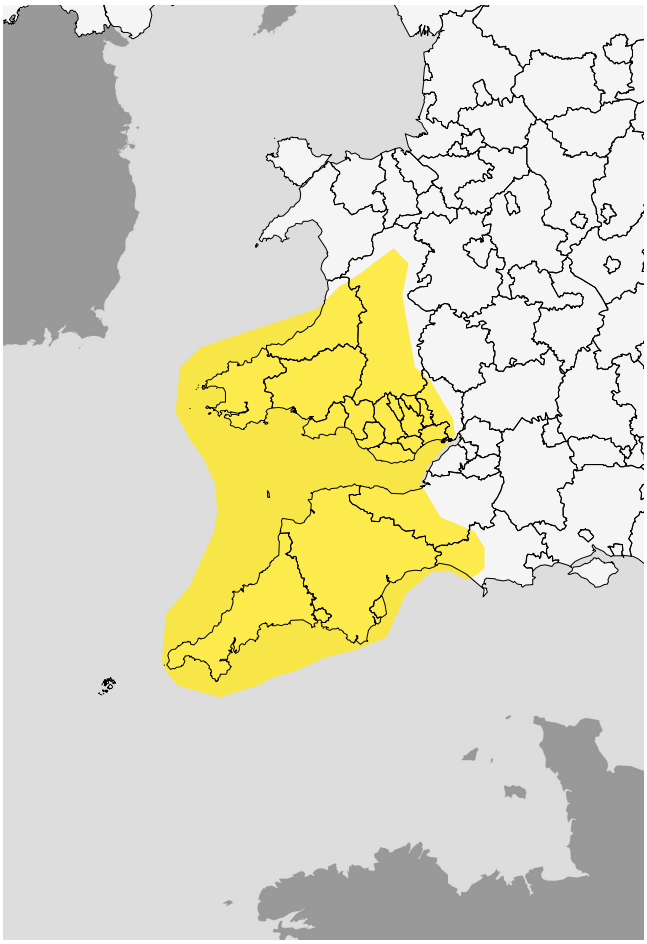
Yellow warning
Rain

Between
07:00 Fri 18 Dec 2020 and
03:00 Sat 19 Dec 2020



A band of heavy rain will affect Wales and southwest England with some disruption likely.

What to expect

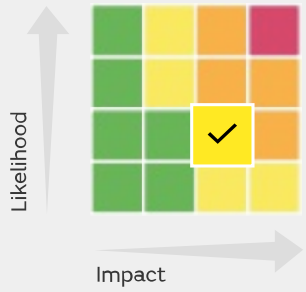
- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

A band of heavy rain will move eastwards across the areas on Friday morning before clearing to the east early Saturday.

Many areas are expected to see 20-30 mm, with Dartmoor and higher ground of south Wales likely to see some 60-80 mm. After wet weather on preceding days, some flooding is likely, this in turn affecting transport and travel.

The heavy rain will be accompanied by strong winds and a risk of thunderstorms. Gusts of 50-60 mph are likely around coasts and over higher ground.



Low likelihood of medium impacts
